HMI Inspection 28th January 2014

Dear Parent/ Carer,

We are delighted to send to you our HMI Inspection Report. It is not a requirement to share the report with parents or publish it on our website but we want to do this to celebrate the recognition of our 'determination to be not just good, but outstanding' and the 'very strong' parental support we have.

Since our Ofsted inspection in September 2013 we are very proud;

- To have addressed and made impact on our targets in the Inspection report and that this HMI Inspection report has noted them so positively
- That our school is in the top one third of primary schools in Cambridgeshire for our end of Key Stage 2 SATs in July 2013
- That we achieved and exceeded our end of Key Stage 1 and 2 SATs targets 2013

Our staff were very disappointed at the report in September and yet got on immediately with working on the targets because our children are our top priority.

On Friday 14th February, after the usual afternoon assembly at 2.30pm, we would be so pleased to talk with parents about the format of the HMI Inspection and our plans to become 'outstanding'. I do hope that you can join us for a cup of tea and a chat.

Yours sincerely,

Mrs. L Corrall
Headteacher

Mr. J. Rimell
Chair of Governors
