

SCHOOL COUNCIL

The Bellbird School Council Newsletter

Spring Term 2016

Welcome to our Spring Newsletter <p>This term we have been holding a soap survey because we did not like the smell of the usual soap. Also, a Governor came to meet us in school and invited us to a Governor Meeting in February. On our plan for the year was also to make some money to send to Save the Children. We have already started on posters for the Bingo Night next term for this.</p>	School Council meet Governors. <p>When School Council came back in the evening and went to a meeting, we met the Governors and found out that lots of teachers, assistants and parents are part of the Governors! We asked lots of questions on a slide show, made by Izzy and Alex, and verbal questions too. We were keen to find out about the money side of things. The Governors answered all of our questions, though some were tricky. We were very impressed. On the whole, we enjoyed the experience. It was fun to find out who helps manage the school. By Sami and Izzy.</p>
Our new Key Stage 1 Adventure Playground <p>The Key Stage 1/ Reception playground has a small bumpy tunnel. There is a play field with a snakes and ladder game. There is a course with long, wobbly ropes. It has a wooden house. It has a jump as far as can game. The numbers are ten, fifty and a hundred. There are wooden planks to hold the ropes. By Johann, Dotty and Darryl.</p>	Bingo Night <p>We are going to have a Bingo Night on Tuesday 26th April 3.30 to 4.45pm. There are going to be prizes and there will be a break in the middle for a drink and biscuit. All the money will go to the Save the Children Charity. More details nearer to the time. By Albert and Isabelle.</p>
Quiet Zone. <p>We have made this place where we can read, write, finish work (well if you want to) and play quiet games. Every two weeks a class gets a turn. The teacher will pick 2 people and if they want to they can go and use it. This is during playtime and lunch. They don't have to go. It is only if they want to. There is no chatting or being silly. You can also read books on the chairs or in the den under the table. By Sienna, Alex and Keely.</p>	Soap Survey <p>The children did not like the smell of the soap we had in cloakrooms so Mrs Corrall ordered scented soap to use in Doves and Swifts Cloakroom for 2 weeks and we asked the children what they thought. Hannah arranged the survey. The soap survey was a great idea! It smelt really nice and most people liked it. It costs more but we are going to plan how we can afford it. By Lucy and Hannah.</p>
