

Newsletter No. 17

Dear Parents/Carers,

It has been yet another exciting and busy week in school with school photos, moving up day and Summer Fair!

Having chatted with the children at lunch time after the moving up session, they were very excited to tell me about new teachers, rooms and classmates. As previously mentioned in a newsletter, a huge amount of consideration went into the organisation of these class lists which were organised 'based on a variety of factors; friendship groups and relationships, mixed ability and any specific needs,.

To clarify the class structures I thought it might be useful for you to have the following information, now that the children have had their moving up session.
