

Count me in!

for Early Years Funding and Pupil Premium
Information for Parents/Carers
whose children are starting school

My child has been in receipt of a free Early Years Funding place and is starting school on a part-time basis. May I continue with or claim a free place until they are in school full-time?

No. Unless you have made special arrangements with the school, confirmed by the County Council, your free entitlement moves to the state funded setting.

Now that my child is starting school, do I need to apply for Free School Meals?

All children starting reception are entitled to a Universal Free School Meal. However, although your child will receive a school meal under the Universal Free School Meal entitlement, in order to obtain the Pupil Premium for your child and their school, you may need to complete a *Count me in* form which collects the information needed to make a check for eligibility.

My child's childcare provider was in receipt of Early Years Pupil Premium, do I need to apply for Pupil Premium?

If we already hold your details, and your child was eligible for economic reasons, we will be able to make that check for you using a secure Electronic Checking System (ECS). You will be notified of the outcome. If your child is entitled, they will continue to benefit from the additional government funding.

My child wasn't in receipt of Early Years Pupil Premium, do I need to apply for Pupil Premium?

If you provided your surname, date of birth and NI number or NASS number previously, you do not need to re-apply for Pupil Premium as we hold your details and will advise you if your child becomes eligible.

If you have not previously provided your details to your childcare provider, then you will need to apply by completing a *Count me in* form. Even if you don't think you would qualify at this point, once you have completed the form, we will be able to continue to check economic eligibility throughout your child's school years using the ECS. You will be notified if you become eligible. The form may be given to you by your school or you can access it online at www.cambridgeshire.gov.uk/countmein

PLEASE NOTE if your child is attending one of the following schools, you will need to apply directly to the school as they administer their own Pupil Premium: Leverington Primary School, Murrow Primary School, Bassingbourn Village College, Gamlingay Village College.
