'Soaring to Success'

## Doves and Swallows January 2020 Spring Term Home Learning

We hope you all had a relaxing and enjoyable Christmas. Thank you for your kind gifts and Christmas cards. We were so very proud of the year 3 children performing in 'Lights, Camel, Action!' They were absolute superstars!

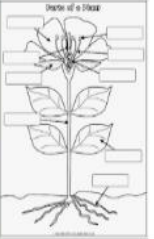

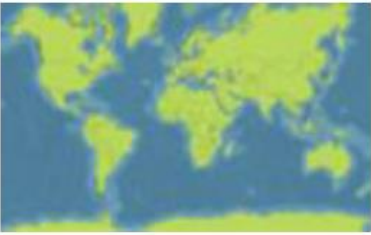

We are looking forward to another exciting term ahead! Our project/topic work is based around 'Rainforests' and our Science topics are 'Light' for the first half term, followed by 'Plants' in the second half term.

Your project homework can take on any form, ideas are detailed on the menu below . . . a painting, a piece of writing, a computer presentation eg. Power Point, a piece of craft work, a song etc. Any IT projects can be emailed to [office@thebellbird.cambs.sch.uk](mailto:office@thebellbird.cambs.sch.uk); they will then be passed on to class teachers.

Children are welcome to bring their projects into school at any point over this term.

Enthusiasts are most welcome to do more than one project, we love to inspire one another with our learning!

### SUGGESTED RAINFOREST / SCIENCE TOPICS FOR PROJECT HOMEWORK

<p>Write a diary entry recounting a day in the life of a tribal child.</p> 	<p>Paint a picture of a rainforest animal.</p> 	<p>Compare a forest in the UK to the Amazon Forest.</p>  <p>Amazon/Sherwood Forests</p>
<p>Write a fact sheet on a Rainforest animal</p> 	<p>SCIENCE Topic - Plants</p> <p><u>Parts of a Plant</u></p> <p>Draw and label a detailed picture of a plant.</p> 	<p><b>Why does the Rainforest need protecting?</b></p> <p>Write a persuasive newspaper article persuading the public to take positive actions to protect the world's rainforests.</p> 
<p>Where in the world are there Rainforests?</p> 	<p>Who lives where?</p> 	<p>SCIENCE Topic - Light and Shadow</p> <p><b>Light &amp; Shadow</b></p> 

The children really enjoy and benefit from sharing their home learning with their classmates. We look forward to seeing something from everyone!

Thank you,  
Year 3 Team

(Jan 2020)
