

The Bellbird Primary School

'Soaring to Success'

Kingfisher and Heron class home learning Spring "Space invaders"

Daily/Weekly

- Reading: please ensure your child is reading for at least 30 minutes a day.
- Spellings: The children will have a set of 10 spellings each week to learn, or an activity around the spelling rule learned that week. These will be given out on the Friday to be tested the following Friday.
- Mathematics: the children will have three Mathematics tasks set each week

Topic Related Activities

We would like you to complete at least 3 of these (but you can do more!)

- Build a rocket using coke and Mentos.
- Build a rocket using products found around the house.
- A model of the solar system.
- A model and fact file on specific planets.
- A quiz on the solar system.
- A diary entry from an astronaut in space.
- Design an astronaut's suit.
- Research the process one must go through to become an astronaut.
- Research NASA.
- Compare life on Earth to on the moon with zero gravity.
- Create your own constellation based on a mythical being.
- Star gaze at night time and photograph/draw the constellations that you can see.

These can be brought into school and will be shared each week
Have fun!
