

Home Learning Activities Year 6	
Week 1	
Weekly Maths activities	Weekly reading activities
<p>Summer Term Week 1 - Angles</p> <p>We'll be following the White Rose Maths Home Learning Year 6 web pages, starting on Summer Term, Week 1.</p> <p>https://whiterosemaths.com/homelearning/year-6/</p> <ul style="list-style-type: none"> Do a lesson a day: watch the video, have a go at the activities, then self-mark. Don't feel you have to print the activities out if you can just do them on a separate piece of paper. Do the "Friday Maths Challenge" if it's created in time. See how you would have scored in the Year 4 Multiplication test – keep going until you get full marks! <p>https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check</p>	<p>In topic we are learning about our local area; in reading we can look at comparing our geographical features with those in our 7 continents. Using the "7 worlds one planet" trailer, respond to these questions giving evidence from the video (remember your PJs – point, justify!)</p> <p><u>Seven Worlds, One Planet Extended Trailer</u></p> <p>https://www.youtube.com/watch?v=IIFRPkT-hVc</p> <ol style="list-style-type: none"> Sir David Attenborough describes the diversity on Earth as extraordinary and wonderful. What do you think the word 'diversity' means? He also says that the diversity is 'precious.' What does he mean by this? What hints are given to suggest why diversity on Earth is being lost? Which continent are you most excited to see more of? Why? Which continent appeals to you the least? Why? Why do you think the name Seven Worlds, One Planet was chosen for this show? Explain your answer fully. Summarise this trailer in three sentences.
Spelling focus	Weekly writing activities
<p>Recap of statutory spelling words: adorable adorably deceive receive ancient efficient fought sought through thorough</p> <p>Write the words out in coloured pens using different colours for each letter.</p> <p>Create a pneumonic to help you to remember the "-ough" letter pattern.</p> <p>Complete the quiz on PurpleMash (this has been set as a 2Do).</p>	<p>Choose your favourite book, which you have recently read and create a book review of it for me to read! Structure your writing in paragraphs and persuade us to read your chosen book! We have set this as a 2Do on PurpleMash.</p>
Foundation subject activities	
<p>Science</p> <p>Linking to our learning on evolution and adaptation, using the woodland environment as a habitat, explain and describe fully how animals in this habitat are adapted to their</p>	

specific environment. Research your own choice of woodland animal or plant to focus on! This has been set as a 2Do on PurpleMash.

Geography and history

Our topic this term is all about our local area of Sawston. During your daily walk, take pictures of the different style of buildings around the village and sort these into a timeline of when you think each building was constructed. Explain why you have sorted them in this way.

Art

From your photographs taken around the village, sketch and draw a replica of your favourite photograph. Use shading and colour blending to create depth and texture to your drawing – we can't wait to see them!

NB: Please use these activities as a guide only. Do not feel obliged to complete all of these activities. They are simply to give you some ideas of the sort of themes we might be following if we were in school. Please adapt them to suit your child's individual abilities and interests and continue to use any of the other home learning suggestions if you are finding them helpful and your child is enjoying them.
