## 'Soaring to Success'

Wagtails and Sparrows  
Autumn homework menu  
"Past and Present"

### Topic Related Activities

We would like you to complete three of these activities (or use your own ideas). Please take a photo of your project to bring or email into school. We will have time to show these every week, usually on a Friday. Have fun!!

- Talk to the oldest person you know (grandparent or a family friend). Ask them about what they used to do and what toys they played with when they were younger.
- Find some black and white photos.
- Find information about transport in the past.
- Search the internet for toys in the past. You could draw a picture, write about it, make the toy or make a presentation.
- Find out what toys were made of in the past. Were they metal, wooden or plastic? Did toys use batteries?
- Take photographs or draw a picture and write about your favourite toy.
- Find out about how people used to wash their clothes and cook in the past.
- Discover how homes were different in the past.
- How were schools different in the past?
- How did people listen to music in the past?

### Reading

Please continue to read with your child for at least 15 minutes each day.

The more that you read, the more things you will know.

The more that you learn, the more places you'll go. Dr Seuss
