

Self- isolation support for children in Wrens and Robins

This page contains advice on home learning, in the event of household self-isolation, due to COVID-19. The Bellbird Primary School will ensure learning can continue for children in EYFS remotely.

This will be in the form of access to:

Main daily/weekly tasks:

- **Tapestry**
At The Bellbird we use a program called Tapestry to track your child's learning and this will be the primary focus for communication between teachers and self-isolating pupils.
- **White Rose Maths**-links directly to maths objectives being taught in class
Every lesson comes with a short video showing you clearly and simply how to help your child complete the activity successfully.
<https://whiterosemaths.com/homelearning/early-years/>
- **Oak Academy**- Oak National Academy offers free, high-quality video lessons and year group resources available throughout 2020/21

Phonics activities

- Twinkl phonics – a range of phonics activities and games the children can try
<https://www.twinkl.co.uk/home-learning-hub>
- Oxford Owl phonics- practical support for parents in supporting your child in phonics
<https://home.oxfordowl.co.uk/reading/learn-to-read-phonics/>
- Alphablocks phonics- a set of videos on CBeebies to support phonics learning
<https://www.bbc.co.uk/cbeebies/shows/alphablocks>
- Phonics Play- a website with interactive phonics games
<https://www.phonicsplay.co.uk>
- **The EYFS Topic Web** –provides cross-curricular opportunities for the children to follow their own particular interests within a topic and present their research in a variety of ways, including art, DT and music

Page 2 has additional resources you may want to explore with your child.

Additional learning resources you may find useful:

Literacy- click on the link below to select a unit based on a text that your child will enjoy

<https://classroom.thenational.academy/subjects-by-key-stage/early-years-foundation-stage/subjects/literacy>

Maths- click on the link below and follow the series of lessons linked to each objective e.g. pattern and early number
