Topic Related Activities

We would like you to complete three of these activities (or use your own ideas) by Friday 10th December 2021. Please bring in your project or take a photo of it and email it into school (office@thebellbird.cambs.sch.uk). We will share these every week, usually on Friday. Have fun!!

- Talk to the oldest person you know. Ask them about what they used to do and what toys they played with when they were younger.
- Find some black and white photos.
- Find information about transport in the past.
- Search the internet for toys in the past. You could draw a picture, write about them, make the toy or make a presentation.
- Find out what toys were made of in the past. Were they metal, wooden or plastic? Did toys use batteries?
- Take photographs, draw a picture and write about your favourite toy.
- Find out how people used to wash their clothes or cook in the past.
- Discover how homes were different in the past.
- How were schools different in the past?
- How did people listen to music in the past?

Book related activities

- Design a new front cover for your favourite book.
- Design your own bookmark.

Reading

Please continue to read with your child for at least 15 minutes each day.

The more that you read, the more things you will know.
The more that you learn, the more places you'll go.
